"To laugh often and much; to win the respect of intelligent people and the affection of children; to earn the appreciation of honest critics; to appreciate beauty, to find the best in others; to leave the world a bit better, whether by a healthy child, or a redeemed social condition; to know even one life has breathed easier because you lived. THIS IS TO HAVE SUCCEEDED."

Ralph W. Emerson

Dedication

Walking in the hall with her ever-present bright smile and friendly greetings; sitting in her office counseling a student in need of advice; assisting the school physician; giving Vitamin C and Kaopectate to the student who is ill; acting as sponsor for Student Council; or enjoying her occasional coffee breaks is Mrs. Burvant, one who is known, appreciated and well liked by both the student body and staff. In gratitude for the many things you have done for us and our school of nursing, we dedicate this edition of the yearbook to you, Mrs. Burvant.

With Mrs. Burvant around there is hope even for the "desperately ill".

Planning counseling and guidance programs and participating in staff meetings are a few of Mrs. Burvant's contributions to our school.

Soft peace she brings, wherever she arrives:

She builds our quiet, as she forms our lives:

Lays the rough paths of peevish Nature even,

And opens in each heart a little Heaven.

To prepare for our role as professional nurses, we must develop ourselves as well-rounded individuals in all aspects of living--socially, culturally, mentally, and morally.

CHASN provides an opportunity for students to develop themselves in this way by providing speakers, films, social activities, and service projects for its members.

Also, membership enables the student to participate in nursing activities not only on a local level, but also the district, state, and national levels affiliated with this organization.

The Choral Club is designed for fun: There is no stipulation for membership other than a genuine love of music and a fearless attitude toward hard work.

Each Wednesday night, for a period of two hours, the group of more than 30 practice for the year's concerts. This club sang at the LASN convention, presented the Christmas program, and the Spring Concert for the Student Body. For the first time this year, they also put on a program for the psychiatric patients.

The hard work sacrificed by these girls brings them closer together into the unit of a great school... Charity.
